SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant submits the references listed on the attached form PTO-1449, copies of which are enclosed.

Submission of this statement is not a representation that a search has been made, nor is information included in this statement an admission that the information is material to patentability.

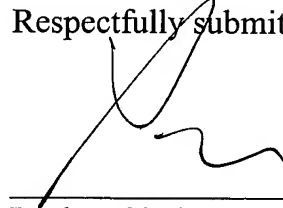

Applicant notes that an English abstract of reference EP 0 902 092 A2, which is written in German, is provided herewith as an explanation of the relevance of this reference under 37 C.F.R. § 1.98 (a)(3).

This statement is being filed before the receipt of a first Office action on the merits. Please apply any charges or credits to Deposit Account 03-2095.

Respectfully submitted,

Date:

July 17, 2003
